

## HOW-TO 3D LADYBUG CARD

### MATERIALS

- Cardstock – Red, White, Black, Green
- White 5"x7" Card and Envelope
- 2" Scalloped Circle Punch or Dies
- 1" Circle Punch
- 1/8" Hole Punch
- Edge Punch
- Rubber Stamp Sentiment
- Black Ink
- Black Pen
- Adhesive

### INSTRUCTIONS

1. Cut red cardstock to 4 ½"x6 ½". Adhere to front of card.
2. Cut a piece of black cardstock to 4" x 5".
3. Cut a piece of white cardstock 3 ½" x 5". Stamp sentiment in bottom right corner and adhere to front of black cardstock.
4. Cut a strip of green cardstock 4 ¼" x 1 ½". Use edge punch along one side. Adhere to back of black cardstock on left side.
5. Adhere layered mats and edge to front of red cardstock.
6. Punch four scalloped circles from red paper. Use 1/8" hole punch to punch holes on two of the scalloped circles, as shown.
7. Punch two scalloped circles and two 1" circles from black paper.
8. Layer punched red circles over black circles and fold in half. Adhere folded circles down the center of remaining red circles, making dimensional wings.
9. Adhere 1" black circles to front of card. Overlap red scalloped circle units, covering part of the black circle. Draw antennae with black pen.
