### INSTRUCTIONS

1. Choose the size of your finished card. Measure and cut paper so that when it is folded in half, you will have your finished size.
2. Fold paper.
3. Cut a contrasting paper  $\frac{1}{2}$ " smaller than the inside of your card. Adhere to inside.
4. Use dies or decorative edger scissors to cut decorative shapes and edges. Adhere to front of card as desired.
5. Add sentiment to card
6. Embellish with flowers, ribbons and rhinestones as desired.
