

HOW-TO CHRISTMAS JAR LANTERN

MATERIALS

- Quart canning jar
- Vinyl "saying" of choice
- Tackyglue
- White Ceramcoat acrylic paint
- Christmas picks, berrys
- Red wire / Green Wire
- Battery operated tea light

INSTRUCTIONS

1. Paint inside of jar with Ceramcoat white paint, swirl inside the jar and let dry.
2. Center and apply vinyl per instructions.
3. Glue floral picks, bells, berrys on top of lid in a pleasing manner and glue on.
4. Wrap wire around lid – twist and make a handle – then add additional berrys or bell off the side.
5. Insert lighted tea light in for a night time glow.
