

HOW-TO CLOWN BOWS AND NECKTIES

MATERIALS

- Felt – Assorted Colors
- Fabric Tac™ Glue
- ½" Elastic
- Elastic Cording

INSTRUCTIONS

1. Cut a 6 inch by 6 inch square from the black felt.
2. Use the Fabric Tac™ Glue and fold the felt backwards to meet in the middle. Glue into place.
3. Cut another piece of felt 2 inches by 3 inches. Fold in half and secure with a small dab of glue.
4. Wrap from the front to the back and secure in place with glue after pinching the bow tie in the middle. Let dry. String a 14 inch piece of elastic cording through the loop in the back. Tie in a knot and add a drop of glue. Pull knot under the middle piece of felt.

To Make A Clown Bow

1. Cut 6 - 1 ½" pieces of colored felt in assorted colors. Glue to the right and left side of a piece of red felt.
2. Cut a 2 inch by 7 ½ inch strip of red felt. Fold in half and secure with Fabric Tac™ glue.
3. Pinch center of bow tie and wrap the strip around the middle. Secure to back using glue.
4. Cut a 19 inch piece of ½ inch elastic. Slide under the back side of the bow tie loop. Secure the ends with Fabric Tac™ glue.
