

## HOW-TO DRY ERASE AND CHALKBOARD

### MATERIALS

- Wooden Cupboard Door
- Darice™ Sticky-Back Chalkboard
- Darice™ Sticky-Back Dry Erase
- Dry Erase Marker
- Chalk

### INSTRUCTIONS

1. Wipe Cupboard Door free of all dust.
2. Cut both Sticky-Back Chalkboard film and Sticky-Back Dry Erase films in various sizes of circles.
3. Decide if you want to hang your Cupboard Door vertically or horizontally.
4. Stick circles in place on the smooth flat surface of the Cupboard Door carefully overlapping. If you want to move it, do so. The film is removeable.
5. Mark with Dry Erase Marker on the white film, and the Chalk on the Chalkboard.
