

## HOW-TO WASHI AND CANVAS GIFT CARD HOLDER

### MATERIALS

- 2 -1/2" x 3-1/2" Mini Canvas
- Washi Tape, 2 coordinating colors
- Printed Scrapbook Paper
- White Cardstock
- Rubber Stamp Sentiment
- Black Ink Pad
- Foam Pop-Dots
- Self Adhesive Rhinestones

### INSTRUCTIONS

1. Stamp sentiment on white cardstock with black ink. Trim with paper cutter.
2. Distress edges of sentiment with black ink pad.
3. Adhere pop dots to back of sentiment. Attach to bottom center of canvas.
4. Make pennants from washi tape along top of canvas, overlapping the top edge and alternating colors.
5. Wrap the outer edge of the canvas with one color of washi tape. Do not fold edges of tape over the back, as you'll use them to adhere the cardstock pocket.
6. Cut a piece of printed cardstock to 2 -1/2" x 3-1/2".
7. Fold only the top edge of the washi tape border over to the back of the canvas to create a slot for your gift card.
8. Place the trimmed piece of printed cardstock over the back of the canvas. Fold the remaining side and bottom edges of the washi tape over the cardstock to form the pocket.
9. Embellish with rhinestones.
10. Cut a 1 inch piece of washi tape and attach to top of gift card to create a tab.

### Other Ideas

- Insert a picture or a secret message inside the pocket instead of a gift card.
- Attach a piece of ribbon at the top of the canvas and hang the gift card holder from the tree.
