

HOW-TO HANGING BIRD FEEDER

MATERIALS

- 6" Wreath
- 4" Clay Saucer
- Jute Twine
- Greens
- Bird
- Hot Glue

INSTRUCTIONS

1. Cut 3 pieces of Jute to 27" in length. Tie a knot one inch from end. Then, tie another knot 1" under the top knot.
2. Tie ends of jute around wreath in 3 places, carefully balancing so wreath will hang evenly.
3. Remove greens from stem and hot glue around edge of wreath.
4. Hot glue bird to edge of wreath.
5. Place Clay Saucer in wreath.
