

## HOW-TO LUCKY LEPRECHAUN CLAY POT

### MATERIALS

- Clay Pot any size
- Ceramcoat paint
- Hot glue, Scissors
- Black ribbon – velvet or grosgrain
- Green Foamie
- Wire or green Chenille Stem
- Mod Podge
- Green & black Sharpies
- Dritz buckle

### INSTRUCTIONS

1. Paint clay pot with the green paint. Let dry. Seal with Mod Podge.
2. Glue ribbon around pot, above rim, twisting in the back to fit well where pot tapers. Cut ribbon 1 ½" longer past where the buckle is.
3. Slide buckle onto ribbon, and glue. Then attach ribbon to pot at buckle.
4. Trace a shamrock onto green Foamie using a green Sharpie. Cut out.
5. Write name on middle with black Sharpie.
6. Attach green floral wire or Chenille stem to the back of the shamrock using glue. Curl end of stem around in a circle. Slide through ribbon.
