

HOW-TO MARDI GRAS MASK

MATERIALS

- Blank mask template ½ size
- Feathers colors of your choice
- Bag of acrylic rhinestones
- Tacky or Elmer's Glue
- Hot Glue
- Black Scribbles
- Alcohol ink, Color of Your Choice

INSTRUCTIONS

1. Squirt several drops of alcohol ink on a cotton ball and rub the color on the plastic part of the mask.
2. Arrange feathers in a pattern that you like, draping longer on one side.
3. Put dabs of tacky glue where you are going to glue, then hot glue the feathers in place. The hot glue will hold quickly, the Tacky Glue holds permanently.
4. Glue the jewels in place with the Tacky Glue.
5. Using the Scribbles as "grout," fill in around the jewels.
6. Add the ribbon ties and a jewel at the end of each tie for sparkle.
