

HOW-TO MARDI GRAS WOOD LETTER

MATERIALS

- Sierra Pacific MDF or Wood Letter
- Darice® Mardi Gras Beads
- Metallic tinsel Chenille Stems
- Hot Glue Gun & Glue Sticks
- Coordinating 1.5 Inch or wider ribbon

INSTRUCTIONS

1. Measure beads across the width of letter and cut. Alternate colors per the photo if you wish, or use one color for the entire letter.
2. Hot glue beads into place.
3. Glue a coordinating metallic tinsel chenille stem around the outside of the letter as trim.
4. Measure and cut your ribbon to the length you would like and tie a bow at the top.

Hint: You could paint the letter prior with matching acrylic paint. This model was done on the unfinished wood alone.
