

HOW-TO PETER STRONGMAN

MATERIALS

- Wooden Body Piece
- Wooden Star
- Wooden Stick
- Wooden Balls
- Wooden Squares
- Styrofoam Balls
- Acrylic Paint
- Das™ Modelling Material – Pronto White
- Washi Tape
- Felt
- Decocolor™ Pens – Black, Red, Yellow and Gold
- Hot Glue

INSTRUCTIONS

1. Shape a head on top of the wooden body piece with the Das™ Modeling Material.
2. Carefully paint the head and upper torso with flesh colored acrylic paint. Paint the bottom of the body with black paint in the shape of a body suit. Let dry.
3. Paint eyes, eyebrows, cheeks and mouth with acrylics. Let dry.
4. Cut mustache from black felt. Glue to face under nose.
5. Push two small styrofoam balls onto the ends of a 4 inch small wooden dowel. Secure with hot glue.
6. Paint both ends with blue acrylic paint. Let dry.
7. Cut stick in half and glue to sides of body with hot glue.

To Make Circus Accessories:

1. Use wooden square blocks, round balls, and stars, paint in as many “Circus colors” as you like using acrylic paints. Let dry.
2. Accent with washi tapes and Decocolor pens.
