

HOW-TO RAINBOW WATER BEADS

MATERIALS

- Water Beads – Red, Orange, Yellow, Green, Blue, Purple
- Submersible Lights (Darice Moon Lights or Gerson LED Light Strings #36903)
- Glass Cylinder

INSTRUCTIONS

1. Prepare water beads according to manufacturer's instructions.
2. Insert submersible lights into glass cylinder.
3. Layer water beads in cylinder, being careful to hide wire from lights.
