

## HOW-TO RECIPE SEED BOX

### MATERIALS

- Unfinished Wood Recipe Box
- Mod Podge™, and Dimensional Mod Podge™
- Coordinating Papers for trim
- Acrylic Paints
- Embellishments of your choice

### INSTRUCTIONS

1. Paint box inside and out with main color.
2. Pour a small amount of white paint into a paper towel and wipe gently across the color on the box to give an antique look.
3. Cut coordinating designs out of the cardstock and when the paint is dry – apply with Mod Podge™.
4. Embellish with wood tiles, alphabet stickers, stickers, etc.
5. Use Dimensional Mod Podge™ to highlight one or more of the embellishments .
