

HOW-TO TERRARIUM GARDEN FAIRIES

MATERIALS

- Bubble Bowl
- Floral Foam
- Reindeer Moss
- Pebbles
- Hot Glue
- Scissors
- Stickles™
- Wee Scapes™ Mini Trees, Flowers & Figurines
- Vellum Paper
- Alcohol Ink
- Fine Glitter

INSTRUCTIONS

1. Insert floral foam in glass bowl. Hot glue moss over foam.
2. Use Stickles™ to add sparkle to decorative flowers, trees, and pebbles. Hot glue in place on top of moss.
3. Color small figurines with alcohol ink and let dry. Use Stickles™ to add glittery clothes and let dry.
4. Cut small butterfly-shaped wings out of vellum; fold in half and hot glue wings onto the backs of fairies. Place fairies around the garden and glue them in place.
5. Sprinkle a healthy dose of glitter over the entire garden.
